Technical drawing of a 4-ring binder template. The drawing shows the layout of the binder with dimensions and labels. The main body is 265 mm wide and 310 mm high. The spine (lomo) is 50 mm wide. The total width of the binder is 580 mm. The drawing includes labels for the back cover (Trasera), spine (Lomo), and front cover (Cubierta). There are two circular punch holes on the left side of the main body. A small icon of a binder is located in the top right corner.
